PUBLIC MEETING

Residents of the Parish are invited to attend

Crigglestone Parish Council through social media and correspondence received at council meetings, is regularly hearing and reading comments about cars speeding in built up areas, inconsiderate parking, inconsiderate and dangerous driving, anti social behaviour and so forth, and the general view is that ***'the Parish Council and the Police do nothing about it'***.

The Parish Council finds it extremely frustrating that members of the public are unaware of what the Parish Council is trying to achieve through the Safe Scheme and other Police initiatives.

Therefore, the Parish Council has arranged a public meeting with members of the Neighbourhood Policing Team (NPT) in attendance, to respond to questions/queries/concerns raised by the residents of Crigglestone Parish.

This will take place on:

FRIDAY 28TH APRIL 2017

7PM - 9PM

**In the Concert room at CRIGGLESTONE WORKING MEN'S CLUB,
19 HIGH STREET, CRIGGLESTONE, WF4 3EB**

It is hoped that the meeting will raise awareness of the systems already in place, will show the public how to report any intelligence, will encourage positive engagement between residents, local youth and the Police.

The Police have suggested that submission of any questions/concerns 2 to 3 weeks beforehand would be useful, so comprehensive responses can be provided. Please email your questions/concerns to clerk@crigglestonepc.org with the 'subject' heading **CRIGGLESTONE PUBLIC MEETING** by **Monday 10th April 2017**. Emails will then be forwarded onto the Police.

Ms S Mozer
Clerk to Crigglestone Parish Council
