

CRIGGLESTONE PARISH COUNCIL NEWSLETTER

Issue No. 21

Autumn 2010

Welcome to our new Councillor

At its September meeting the Council welcomed Co-opted Member Mrs Debbie Margrave.

Councillor Margrave was already an appointee to the Parks and Open Spaces Committee. Her interests include walking her two dogs and growing her own vegetables.

Community Hero Award

Residents will recall that last year Keith Wainwright was selected for the 2009 Community Hero Award. It is now time for you to nominate a resident of the Parish who has done outstanding voluntary work within the community for the benefit of the residents of the Parish to receive the 2010 award. Candidates (individuals, not groups) should be nominated by one resident and supported by one other resident.

Please complete the form overleaf and return it to the Village Institute, 36 High Street, Crigglestone WF4 3EB or download a form from the web site www.crigglestonepc.org

The closing date is 22nd November 2010.

Crigglestone Community Plan

The Crigglestone Community Plan Steering Group (CCPSG) will be working hard with local residents over the next twelve months to produce the Crigglestone Community Plan.

"The aim of a Community Plan is to gather information about the concerns and aspirations of local people", says Peter Daniels, Chair of the CCPSG. "It will take stock of what's happening throughout the area and seek to clarify what improvements and changes people want". He adds, "It's important that people understand this is their plan. As well as influencing decision-making by the local authority and service providers, there will be opportunities for the community to make some of the changes they want themselves."

The Group is currently seeking ideas and opinions about how to improve the Crigglestone area so if you want to get involved go to www.crigplan.org, email info@crigplan.org or phone 01924 373487.

LDF – The Future of our Parish

An extraordinary general meeting of the council was convened in September to discuss proposals for the Parish area in the WMDC Local Development Framework, Site specific proposals.

Although members were in favour of some aspects of the LDF, the Council decided to object to two of the proposals, one being for a housing development on land off Durkar Lane because of infrastructure concerns.
