CRIGGLESTONE PARISH COUNCIL NEWSLETTER

M1 BARRIER UPDATE

Your Parish Council are pleased to inform you that Highways England (HE) propose to install 4 noise/safety barriers along the M1 motorway from junction 39 in a southerly direction (to the tunnel under the motorway) on both sides of the motorway including both north and south slip-roads. The work is expected to start in November and be completed by the end of January next year.

Your Parish Council first raised the issue of the M1 motorway traffic noise way back in 2011 and have had over the intervening years various meetings including a public meeting in 2014 and/or numerous correspondence with the Highways Agency, Department for the Environment, Food and Rural Affairs (Defra), Highways England, Wakefield MDC, Wakefield MP and District councillors.

Also within the same time frame representation was made to the Highways Agency (HA) to

resurface the M1 motorway with noise reduction material south of Junction 39 through to Cliffe Road overbridge which was carried out between June 2015 and March 2016, much earlier than originally planned and recognised way back in 2012 by HA as an Important Area with First Priority Location.

When the barriers are installed together with the previously mentioned noise reduction surface will hopefully make the surrounding area quieter and pleasant in which to live.

The Parish Council are greatly indebted to Mr D Lodge, a local resident, for his assistance and invaluable help.

Further details on this M1 Barrier Scheme are available from Parish Council website www.crigglestonepc.org and a scheme map is in the window of the Village Institute for those interested in this project.

HALL GREEN COMMUNITY CENTRE

Extension to Hall Green Community Centre

The Parish Council have this year successfully purchased land to the rear of the current Hall Green Community Centre in order for it to be extended. Hall Green Community Association (HGCA) are funding the build which is hoped to be completed by Summer of 2019. This extension is long awaited and needed and will offer Hall Green community and Crigglestone Parish, somewhere that can accommodate greater numbers and offer a broader spectrum of events and services. It is anticipated that HGCA will be able to apply for services put out to tender by WMDC, NHS and South West Yorkshire Mental Health Trust, as it will also be a Dementia friendly building.

CHRISTMAS TREE LIGHTING EVENT

Friday 7th December, starting at 5.00pm. There will be face painting and balloon modelling, Mulled wine and mince pies, a variety of stalls and games. Grand Raffle, hot food and drinks will be available. Carols by Dane Royd School choir and music by Gawthorpe Junior Band. We also hope Santa will be popping in to see us!! WHERE IS IT NOW?

A telephone enquiry was received in the Parish Council office from Bill Hobbis of Surrey, British Columbia, Canada one morning in May of this year. The enquirer wished to ascertain the original location of a telephone box he had purchased in the early 1990's. Further to the telephone conversation, emails were exchanged with photo's attached of the TCB in its current location and the information sheet which would have been fixed to the back of the box giving the telephone no. and location. The Parish Council made enquiries with the local historian who was able to inform them that the TCB had originally been situated at the bottom of Marshall Avenue at its junction with Stoney Lane. It was superseded by a TCB further up Stoney Lane, towards Dane Royd School. Bill was delighted with the information and with the power of the internet was able to clearly see for himself the location of 'his' telephone box.

However, Bill was to go one better! He is a member of the Delta Concert Band in suburban Vancouver who visited Northern England and Scotland for a performance tour in June this year at Collingham with the Newark and Sherwood Concert Band and a collaboration at the Royal Northern College of Music in Manchester. After flying in to Manchester from Vancouver, Bill and the Band arrived at their base in Barnsley where, between events and travel, he took a taxi out to Hall Green to see for himself the area 'his' telephone box had originated from.
