Officer Activity:

PC 1845 Blore reports:

19/04/2018 between 1600 x 2000

I carried out foot patrols between the hours of 16:00 X 20:00 in full uniform.

I patrolled around Willow Garth Copse after the recent priorities from the meeting. I spoke to a number of residents on the street and none stated that there was a problem with ASB. The area that has been reported damaged is a wooded area in the middle of the cul-de-sac there didn't appear to be any new damage and the sapling trees mentioned were still in a growing state as the damage was minor. I spoke to a number of young children who were playing in the woods and grassed area but they knew nothing about the damage.

I walked along Painthorpe Lane but there was no obstruction from any vehicles or traffic lights I assume that the work has been carried out and the temp lights have now been removed.

The grounds of the St James Church were checked and I spoke to the Vicar who thanked me for patrolling the grounds. He stated that the grounds of St James church didn't have a big issue with ASB and from patrolling there was no evidence that kids are hanging around the grounds.

There were no issues in Betty Eastwood Park.
