Safe Scheme Patrols:

PC342 Firth Has conducted Speed checks along Stoney Lane. Spoke with the Landlord of the Bay Horse Pub who was very positive to see police conducting speed checks. Although on this visit, no vehicles were seen to be speeding even whilst vehicle park in the Pub Car park.

PC342 Firth Also conducted speed enforcement checks on Denby Dale Road to challenge those 'boy racers' on their speed track. Several tickets issued and warnings given regarding ASB driving.

PC342 Firth attended another day to Denby Dale Road same action for speed enforcement, however only a couple of drivers issued tickets and no further ASB seen.

PC342 Firth concerns – A large portion of vehicles have been stolen in the last 30 days – 7 in total as shown above. There is no reoccurring method of stealing the vehicles other than some were keyless entry therefore a special device could have been used. No forced entry used/smashed glass or any residential properties entered to obtain keys. Myself the NPT and Traffic teams are fully aware of the recent increase and are conducting extra patrols in the area (not part of the safe scheme). A large portion of this has happened over night.
