**Good evening.**

This report covers 28<sup>th</sup> May to 28<sup>th</sup> June 2022. As shown above, another quiet month for crime in the area. 9 total crimes against 13 total ASB in the area. This is a stark difference to the 2021 figures of 20 total crimes and 32 total ASB.

5 crimes of Burglary recorded on our system, however, 2 were incorrectly graded and no burglary exists therefore only 3 for the entire month. 1 of which was a business. There was no link to all locations HOWEVER, there has been several burglaries whereby jewellery seems to be the target.
