September 2022 Report – Painthorpe Travellers were the obvious issue caused within September – These were on the Hall Green Football Team field on Painthorpe Lane however, they were issued with a S.61 notice and gone within 3 days. This was prior to the event to be held on the weekend which went ahead without issue. On Daw Green there were ‘gang’ issues which meant a vehicle was set on fire – this is being investigated – suspects have been arrested and enquiries are on going to get a positive charge to court result. This was not a stranger/unknown person situation therefore tension in the community should be normal and no threat or fear should be felt as it was a targeted attack.

NPT Rural have completed acquisitive crime deterrent in areas which also included time in Crigglestone. This is where officers attend the area in plain civilian clothing and try to blend in and catch criminal activity ongoing and prevent it happening and making arrests. They work alongside officers in marked Police vehicles stationed nearby for assistance. This will be completed from now through to March 2023.

As shown above – No burglaries in the area for a month is great results. There were 2 vehicles stolen – however – 1 vehicle was a reported lease vehicle which was recovered by its finance company 3 months prior to the report therefore not a true crime.

There has been a large increase in ASB with people riding on motorbikes. This is being monitored and information/intelligence is coming in for those committing this ASB and will be dealt with appropriately. Due to certain health and safety risks – officers are discouraged from pursuing these due to the risk of serious injury to those riding the motorbike and the penalties imposed to WYP for this action. Therefore information from the community is greatly appreciated.

Councillor Samantha Harvey is wanting to re-start the challenged area of Durkar Low Lane/Durkar Lane/Denby Dale Road East – This is relating to the road layout, round-a-bout, crossing and parking issues in the area which has been put to Parish Council previously by WYP and residents. There was a recent single car collision into the telegraph pole which was most likely due to speed/no attention along with the wet weather. Luckily, no one was injured but strengthens the argument this needs to be looked at.

PS6851 Rhees-Cooper Reports

On Monday 26th September 2022 between 1915hrs and 2115hrs I conducted safe scheme for CRIGGLESTONE.

Weather:- Cloudy / warm.

Copeworth Drive – No issues of note.

Calder Park services – No issues and no concerns from staff or other customers.

High Street - No issues of note.

Denby Dale Road West, Calder Grove – No youths/ drug taking or ASB.

Hollingthorpe Lane/Avenue/Grove - no issues of note.

Haveroid Lane - No issues of note.

Newmillerdam area No vehicles parked in the car park, no parking concerns or ASB issues at time of attendance.

Slack Lane - No issues of note.

Painthorpe Lane – No issues.

Common Lane – Area checked no new fly tipping identified and no parked-up vehicles or other criminal activity identified. No issues identified.

Daw Green - No issues of note.

Durkar Lane/Low Lane - No issues of note.

Fishpond Estate - No issues of note.

St James Estate - No issues of note.

During these patrol times there were no calls for service within the Crigglestone area for ASB, Off road bikes, nuisance vehicles or speeding issues.

On Monday 26th September 2022 (same date as above) between 1315hrs and 1415hrs I conducted safe scheme for CRIGGLESTONE.

Weather:- Sunny / warm.

Slack Lane - No issues of note.

Painthorpe Lane – No issues

Common Lane – No issues identified.

Hollingthorpe Lane/Avenue/Grove - no issues of note.

Calder Park services – No issues

During these patrol times there were no calls for service within the Crigglestone area for ASB, Off road bikes, nuisance vehicles or speeding issues.

PC 6254 Varley / PC 2884 Price (RPU) reports:

On Saturday 24th September 2022 attended the Crigglestone area for safer scheme patrols. Between 1900 and 2130hrs patrol in a marked RPU vehicle fitted with ANPR cameras.

Static speed checks conducted on Denby Dale Road and Asdale Road. 1 driver was issued with a TOR for speeding (54mph in a 40mph). A number of other motorists were given advisories.

Patrol then conducted in and around Painthorpe Lane. 1 driver issued a TOR for not wearing a seat belt.

One vehicle was stopped on Denby Dale Road East for having no current VEL (tax). Enquiries confirmed that this was a new keeper and tax had been purchased earlier the same day.

A van was stopped on Hendl Lane due to the manner in which it was being driven. The driver of this van was found to be driving whilst over the prescribed alcohol limit. He was arrested and processed at Havertop Police Station. He was subsequently charged and bailed to attend court having provided two further positive breath tests. (13220528267 refers).

PS 6851 Rhees-Cooper reports.

The following areas were patrolled:-

On Saturday 24th September 2022 (same date as above) between 1315hrs and 1415hrs I conducted safe scheme for CRIGGLESTONE.

During these patrol times there were no calls for service within the Crigglestone area for ASB, Off road bikes, nuisance vehicles or speeding issues.

PC342 Firth Reports

On Thursday 15th September 2022 between 5pm and 6pm I attended Crigglestone for safe scheme overtime.

I attended to the following areas

Painthorpe Lane - Area checked RE Travellers - spoke with community regarding this also - happy with Police involvement

Daw Green - No issues - However - after overtime off road bikes were seen in the area - I did re-visit this area due to this and saw the male in question but he actively avoided me therefore could not catch them to deal with and had to cancel the enquiry due to the risk of injury to the rider.

Newmillerdam - Busy but no issues.

Denby Dale Road East/Durkar Lane/Low Lane - No problems

Calder Park Services - No one present or causing issues.

PS 6851 Rhees-Cooper reports.

The following areas were patrolled:-

On Wednesday 14th September 2022 between 2230hrs and 0030hrs I conducted safe scheme for CRIGGLESTONE.

Weather:- Cloudy / warm.

Copeworth Drive – No issues of note.

Calder Park services – No issues and no concerns from staff or other customers.

High Street - No issues of note.

Denby Dale Road West, Calder Grove – No youths/ drug taking or ASB.

Hollingthorpe Lane/Avenue/Grove - no issues of note.

Haveroid Lane - No issues of note.

Newmillerdam area No vehicles parked in the car park, no parking concerns or ASB issues at time of attendance.

Slack Lane - No issues of note.

Painthorpe Lane – Traveller site currently located on football field. Area checked for any further issues.

Common Lane – Area checked no new fly tipping identified and no parked-up vehicles or other criminal activity identified. No issues identified.

Daw Green - No issues of note.

Durkar Lane/Low Lane - No issues of note.

Fishpond Estate - No issues of note.

St James Estate - No issues of note.

During these patrol times there were no calls for service within the Crigglestone area for ASB, Off road bikes, nuisance vehicles or speeding issues.

On Wednesday 14th September 2022 (same date as above) between 1300hrs and 1400hrs I conducted safe scheme for CRIGGLESTONE.

Weather:- Sunny / warm.

Slack Lane - No issues of note.

Painthorpe Lane – unauthorised encampment – eight caravans still located on football field at this location however a S61 has been served this morning by NPT for the unauthorised encampment to disband by 1900hrs.

Common Lane – No issues identified.

Hollingthorpe Lane/Avenue/Grove - no issues of note.

Calder Park services – Services busy at time of attendance, however No issues and no concerns identified.

During these patrol times there were no calls for service within the Crigglestone area for ASB, Off road bikes, nuisance vehicles or speeding issues.

PC342 Firth Reports

On Wednesday 14th September 2022 between 5pm and 8pm completed safe scheme overtime.

During this time, I dealt further work with the travelling community who were still present on the field. Early NPT teams had attended and Issued the S.60 warning telling the travelling community to leave by 7pm.

Around 2pm (prior to my start time) - the travelling community attended the shops and stole several items upto approx value of £300. This was from Coop and JJ off licence on Painthorpe Lane.

I attended and spoke with the painthorpe community and store staff who shared their concern with the travelling community. Coop shop manager also attended to inform me of the theft from their store. All parties at this point voiced their concern about further incidents. I obtain approval from Sgt Rhees-Cooper to allow myself and PCSO George to remain with the stores a while to ensure no further offence occurred.

During this time, I arranged a large number of other officers to attend and park up to block access to the ALL BLACK RUGBY GROUND for when the travellers eventually move on. There was a charity event and football tournament due to take place on the two fields therefore community tension was high.

Once all officers were in place. PCSO George and I attended the travelling community again, reminded them to leave for 7. One group refused to leave and started to spread the word to stay. At this point, I further reached out to the WYP Supervision to get more officers in the area to assist due to the up coming engagement due to take place if they did not leave along with crowd control of the Painthorpe community as there were just the two of us. This assistance from WYP was refused.

Luckily, the travellers decided to listen to my instruction and started to pack up. All the encampment left the site at 8pm and I followed them out of Crigglestone and left them on the M1 North heading into Leeds after J42.

Besides the issues caused by the travelling community and very high tension, the community was pleased with the Police intervention. In 2 days of my involvement they were gone. The tournament can go ahead as planned along with the community charity event.

PC342 Firth Reports

On Tuesday 13th September 2022 between 5pm and 7pm I attended Crigglestone for Safe Scheme Overtime.

During this time, there was a travelling community present on the HALL GREEN JUNIORS FOOTBALL GROUND. They set up on 12th September and were still present. I attended the location, spoke with the travellers and they stated they were going in a day or two. I remained on site and spoke with various individuals whilst obtained information about the vehicles and their names.

Report was submitted as I believed they met the criteria for a S.61 removal notice which was authorised by Sgt Rhees-Cooper. It is left to be escalated within WYP for authorisation.

There were a number of calls for service relating to the travelling community some regarding suspicious behaviour which I checked out and turned out to be false.

I remained in the local area to reassure the community and keep control of the travellers.

PS 6851 Rhees-Cooper reports.

The following areas were patrolled:-

On Tuesday 13th September 2022 between 2230hrs and 0030hrs I conducted safe scheme for CRIGGLESTONE.
