**Good evening,**

Merry Christmas and Happy New Year everyone! Apologies for the lack of attendance – I am at home caring for my wife and son.

The numbers above represent an equal paring with November, however, with less severe crime involved. 1 Burglary, 3 thefts of motor vehicles and 1 theft from a motor vehicle. There was nothing of note to string the crimes together. Regarding Decembers overtime – Sgt Rhees-Cooper who usually commits to overtime has had an operation on his jaw rending him of work sick for 3 months minimum. My wife also having an operation during December, only allowed me to commit to the 6 hours as per below. The traffic officers we unable to obtain vehicles to use due to collisions/repairs and services of other vehicles meaning they were unable to complete the overtime this month. I am back working from 13<sup>th</sup> January onwards and will be completing and in the area from this date onwards.

There is a PACT meeting on Tuesday 17<sup>th</sup> January from 7.30pm onwards. You're welcome to join. This will be held at the village institute hall.
