Good evening,

I hope this report finds you well. I heard the last months figures were a concern amongst you. I'm glad to say, this month appears to have reduced somewhat. Crime down by half in comparison to last month and ASB down a quarter. Due to annual leave and training during June, hours were not completed during, which could have been a factor as to why the increase as again, this month, we've rebalanced the quota and crime has gone down. We've had significant crime which was Burglary in Hall Green (Hollingthorpe Area) – This was a daytime attack. Enquiries are ongoing, but this was the only acquisitive crime throughout the month.
