Good evening,

Stead month for August in comparison to the previous year. As Police, we've been involved in community tension around Asylum Seekers at both Cedar Court hotel and St Pierre hotel. This is more around protests and engaging with everyone involved. We aim to engage further with the Asylum Seekers to educate them around the way English law works, the common courtesy and the ways of the community. This is with the aim to reduce potential conflicts and avoid upsetting the community by not adhering to our practices and expectations.

I've spoken with Cllr Samantha Harvey again around Denby Dale Road East and Durkar Low Lane to re-discuss the issues around this area with traffic calming measures and traffic parking etc. Prior to this, PCSO Sykes has attended several times and issued several tickets to parked vehicles causing obvious obstructions to the path/highway. This will continue over the coming months.
