On Thursday 7th September between 9pm and 11pm, I attended Crigglestone safe scheme. I attended the following areas:

Calder Park - No issues - racers leaving but within speed limit and no noise

Chapelthorpe - At 10pm - I noticed a teal coloured mini parked up on Church Lane. I drove an unmarked vehicle therefore able to get close to the car. Upon parking next to the car, there were three people inside and all had Balaclavas on, upon seeing me and attempting to detain them, they fled in the vehicle escaping towards Newmillerdam. Police attended on mass to the area, however, the vehicle just escaped and evade Police. The vehicle was stolen and those inside were likely involved in burglaries around Wetherby. Number plate obtained but no further sightings on cameras and extensive search by myself and others.

I believe my presence deterred them from attacking properties in Crigglestone - right place right time. Shame we were unable to detain them.
